In this regard, Applicants note that the certified copy of the priority document was also filed on June 17, 2004, and that the certified copy of the priority document is present in the image file wrapper of the present application (see entry on June 17, 2004).

In view of the foregoing, Applicants kindly request that the USPTO acknowledge the claim for foreign priority document, and acknowledge that the certified copy of the priority document has been received.
